

THE "TIM COAST"
ADVENTURE

TERMS & CONDITIONS

Your challenge must be completed on or between the time period of June 1st 2019 and September 1st 2019. It must be a minimum of ten kilometres/6.26 miles. It is not just limited to this. You can incorporate it into a longer run if you wish. You cannot incorporate it into an organised running event/race. This must be a social or training run or a self-challenge run only.

Only data and a photo to prove that you did it with your e-bib (sent via email before June 1st 2019 and must be worn on your challenge and shown in photo) will be accepted as qualification for a bespoke 'Timmy the Toothy Trail T-Rex' medal. Data from GPS watch/phone or app accepted and you must send this via the event Facebook page, business Facebook page (Bys Vyken Events) or via email to www.bysvykencornishtrails@gmail.com. This must be done no later than 11:59pm on September 1st 2019, but not before 00:00 on June 1st 2019.

This is not an actual race! This is a personal challenge. You will be responsible for picking your route/path/journey and your number of miles if you plan on running more than 6.26 miles/10k.

Upon signing up for this challenge and adventure you are agreeing to all these terms laid out in these terms and conditions and declare yourself fit and capable of running or walking at least a 5k/3.13 mile run or walk.

This challenge is open to all those wishing to walk as well as run. It is not eligible for any other method of transportation including cycling.

There will be no race leader board. This isn't Strava and the like. We won't be publishing your times so everybody can look at everybody else's. Not everybody will be running the same route.

Those who choose to run their challenge on The Tin Coast in Cornwall will also qualify for an autographed photo hand signed by Timmy. Those that don't run their challenge on The Tin Coast won't receive one.

Bys Vyken Events & The National Trust are not responsible for the route you take, the gear that you wear whilst doing so, the nutrition and hydration, or lack of that you take with you or indeed your injury or death whilst pursuing this challenge. We will have no marshals or aid stations or maps on your route. This is YOUR route remember. We have no say over where you go or how fast you do it.

There will be a no refund policy in place and you will not be allowed to transfer or defer to an actual event held by us.
